**Debbie Graham Larkin**, who lives on Maui two weeks out of every month, will appear on KHNL'S "Morning Show" in Hawaii at 6:15 a.m. to discuss her **Graham Cracker Kids** children's books.

A Former dance and theater instructor for physically challenged children, Larkin's books are about kids who just want to fit in.

"Kids don't want to be Suzie in the wheelchair, they just want to be the other kid . . . They want to be the same. They want to be a kid," Larkin wrote.
